4. Early termination

This Contract may be terminated at any time with the agreement of the Facility. The Customer shall not consider that this Contract has been terminated until such time as termination is confirmed in writing to the Customer by Debitsuccess and/or the Facility to the last address of the Customer that Debitsuccess has on record. Termination of this Contract will also terminate the instruction to accept direct debits.

5. Further customer agreements

The Customer agrees that:

- **Change in Facility details** – the Customer’s obligations under this Contract are not affected by a reasonable change in the normal location where the Services are ordinarily provided, a reasonable change in the location of the Facility’s premises, a change in the ownership of the Facility, or a change in the name of the Facility; and
- **Rights conditional** – the Customer’s rights to the Services are conditional upon he or she: o complying with any rules and conditions of the Facility relating to the Services; and making any payments required under this Contract when due.

6. Payments

As consideration for receipt of the Services, the Customer agrees to pay the instalment amount at the agreed payment frequency for the term of this Contract. The Customer may alter the payment frequency and/or day to debit by requesting a change with Debitsuccess. However, any changes shall not affect the total amount of money the Customer would otherwise be required to pay. Should there be any payments in arrears, the Customer authorises Debitsuccess to debit the outstanding balance in order to bring the account up to date.

7. Administration Fee

A one-off fee of the amount indicated on the front of this Contract is payable to Debitsuccess by the Customer on signing this Contract. The Customer authorises Debitsuccess to add any fees owing under this clause, to the initial instalment to be paid by the Customer (as a separate payment or otherwise) or to such other instalments as Debitsuccess may, at its sole discretion, decide.

8. Late Payment Fee

A late payment fee of the amount indicated on the front of this Contract is payable by the Customer to Debitsuccess for each reversal of a payment initiated by Debitsuccess in accordance with this Contract. The Customer authorises Debitsuccess to add any fees owing under this clause to any future instalments paid by the Customer (as a separate payment or otherwise).

10. Liability

The Customer agrees that, to the extent permitted by law, neither the Facility, Debitsuccess or any of their related companies, directors or employees will be liable for any direct, indirect, or consequential injury, loss or damage to the Customer, or to the property of the Customer whatsoever, arising out of or in relation to this Contract.

The Customer:

- authorises the Debitsuccess to notify any debt collection or credit reporting agency upon default by the Customer in regard to any obligation to pay under this Contract;
- agrees to immediately pay the full outstanding balance of the remainder of the payments due, including any current arrears, should a default occur prior to this Contract terminating;
- authorises Debitsuccess to add \$50 to the outstanding debt as its fee for dealing with the default; and
- agrees to pay any and all costs incurred as a result of debt collection including the commission, fees and costs charged by any debt collection agency (approximately 25% of the outstanding debt).

12. Contracts Privity

The Customer acknowledges that Debitsuccess has been contracted by the Facility to collect the instalments due under this Contract and the Customer acknowledges that all rights of the Facility pursuant to this Contract are able to be enforced by Debitsuccess as if it were the Facility, without any involvement on the part of the Facility or the consent of the Customer.

13. Entire Agreement

This Contract and the Facility Membership Agreement (as applicable) constitutes the entire agreement, understanding and arrangement (express and implied) between the Customer, the Facility and Debitsuccess relating to the subject matter of this Contract, and supersedes and cancels any previous agreement, understanding and arrangement relating to the subject matter of these arrangements whether written or oral. In the event of any inconsistency between the terms of this Contract and the Facility Membership Agreement that specifically relate to the rights and obligations of the Facility (other than any right to unilaterally vary fees payable), the terms of the Facility Membership Agreement shall prevail.

14. Severability

If any provision of this Contract is prohibited, invalid or unenforceable, that provision will be ineffective to the extent of the prohibition, invalidity or unenforceability without invalidating the remaining provisions of this Contract or affecting the validity or enforceability of that provision, unless it materially alters the nature or material terms of this Contract.
